

Carbonate Critical Zone Research Coordination Network

Working Group composition

(Updated Aug 24, 2020)

Working Group 1: Hydrology 1 (Hydrology, weathering, climate & Land use change, time)

Facilitator: Sharon Ryan

Wednesday Aug 26, 11:00- 1:00

Yongli Gao	Associate Professor	The University of Texas at San Antonio
Patricia Beddows	Associate Professor	Northwestern University
James Berglund	Assistant Professor	Montana Tech/Montana Bureau of Mines and Geology
Matthew Covington	Associate Professor	University of Arkansas
Laura Crossey	Professor	University of New Mexico
Jennifer Druhan	Assistant Professor	University of Illinois Urbana Champaign
Alan Fryar	Professor	University of Kentucky
Sanju Khatri	Graduate Student	Florida Atlantic University
Edward Mallon	Owner	Triple Point Design, LLC
Andrew Oberhelm	Graduate Student	University of Florida
Guy E Rawls	Graduate Student	James Madison University
Ira D. Sasowsky	Professor	University of Akron

Working Group 2: Hydrology 2 (Hydrology, weathering, climate & Land use change)

Facilitator: Sharon Ryan

Friday Aug 28, 11:00 - 1:00

Liz Hasenmueller	Associate Professor	Saint Louis University
Peter Azah Abanda	Professor	Houston Community College
Daniel Bittner	Research Associate	Technical University of Munich
Rachel Bosch	Graduate Student	University of Cincinnati
Behzad Ghanbarian	Assistant Professor	Kansas State University
Wendy Graham	Director	Water Institute, University of Florida
Chris Groves	Professor	Crawford Hydrology Lab, Western Kentucky University
Rachel Havranek	Graduate Student	University of Colorado Boulder
Jessica Oster	Assistant Professor	Vanderbilt University
Daniella Rempe	Assistant Professor	University of Texas at Austin
Randy Stotler	Assistant Professor	University of Waterloo
Laura Toran	Professor	Temple University

Working Group 3: Ecology (Ecology, climate & land use change, weathering)**Facilitator: Paloma Carton de Grammont****Thursday Sept 10, 2:00-4:00**

Matthew Cohen	Professor	University of Florida
Hazel Barton	Professor	University of Akron
Nicole Cordoba	Graduate Student	Florida International University
Jessica Corman	Assistant Professor	University of Nebraska-Lincoln
Xiaoli Dong	Assistant Professor	UC Davis
Timothy Gallagher	Post-Doctoral Associate	University of Texas at Austin
Daniel Jones	Assistant Professor	New Mexico Tech
Jennifer Macalady	Associate Professor	Pennsylvania State University
Mackenzie Vecchio	Graduate Student	Florida Atlantic University
Carol Wicks	Professor	Louisiana State University
Kevin Webster	Associate Research Scientist	Planetary Science Institute

Working Group 4: Architecture (Architecture, hydrology, weathering)**Facilitator: Sharon Ryan****Wednesday Sept 2, 2:00- 4:00**

Andrew Luhmann	Assistant Professor	Wheaton College
Teresa Baraza	Graduate Student	Saint Louis University
Daniel Doctor	Research Geologist	US Geological Survey
Lee Florea	Assistant Director for Research	Indiana Geological and Water Survey
Jacob Gochenour	Graduate Student	New Mexico Tech
Gregory Mount	Assistant Professor	Indiana University of Pennsylvania
Charles Shobe	Postdoctoral Fellow	GFZ Potsdam
Blake Stone	Graduate Student	Florida International University
Michael Sukop	Professor	Florida International University
Pamela Sullivan	Associate Professor	Oregon State University
Jobel Villafane-Pagan	Undergraduate Student	University of Puerto Rico - Mayaguez (UPRM)

Working Group 5 Weathering (Weathering, hydrology, climate & land use change)**Facilitator: Paloma Carton de Grammont****Monday Aug 31, 1:00-3:00**

Rene Price	Professor	Florida International University
Sam Anderson	Graduate Student	Tulane University
Xavie Comas	Professor	Florida Atlantic University
Ángel A. García Jr	Visiting Assistant Professor	James Madison University
Kathleen R. Johnson	Associate Professor	University of California, Irvine
Jason Gulley	Associate Professor	University of South Florida
Ellen Herman	Associate Professor	Bucknell University
He Huang	Graduate Student	University of Florida
Hassan Jebreen	Graduate Student	Ruhr University Bochum
Jonathan Martin	Professor	University of Florida
Natasha Sekhon	Graduate Student	University of Texas at Austin
Chi Zhang	Assistant Professor	University of Kansas
Fan Zhang	Graduate Student	University of Kansas

Working Group 6: Ecosystem services (Ecosystem services, climate & land use change, hydrology)**Facilitator: Paloma Carton de Grammont****Friday Sept 11, 1:00-3:00**

Ángel A. Acosta-Colón	Academic Unit Head	University of Puerto Rico at Arecibo
Julian Alwakeel	Graduate Student	Florida International University
Cory BlackEagle	Adjunct Faculty	Eastern Kentucky University
Amy Bredes	Environmental Engineer	NewFields
Kelly Deuerling	Assistant Professor	University of Wisconsin-Green Bay
Madison Flint	Graduate Student	University of Florida
James Heffernan	Assistant Professor	Duke University
Wesley Ray Henson	Research Hydrologist	USGS
Barclay Shoemaker	Researcher	USGS
Dorothy Vesper	Professor	WVU
Junfeng Zhu	Geologist V	Kentucky Geological Survey
